

LABOR STRIKE

Labor strikes may affect public transportation causing travel cancellations, interruptions or delays. If your travel plans may be impacted by the labor strike you may want to confirm any air, ground and rail services during your travels prior to traveling.

Travelex protection plans must have been purchased prior to the date when an event becomes foreseeable. Customers who purchased their plan prior to the labor strike foreseeable date may be eligible for coverage. Please refer to the appropriate policy document for information regarding plan coverage, travel assistance services and instructions on how to file a claim.
