

TSUNAMI

The damage, personal danger, and travel delays caused by a tsunami can be serious. Travel impacted by tsunamis may be eligible for travel protection coverage and assistance services. A Travelex protection plan must have been purchased prior to the date when a tsunami became foreseeable to be eligible for coverage.

As always, our primary concern is for the safety and well-being of our customers. We urge any customer who needs assistance to contact the designated Travel Assistance Provider for help with making travel arrangements. Please refer to the appropriate policy document for information regarding plan coverage, travel assistance services and instructions on how to file a claim.
